### WHAT'S GOING ON?

Hi parents, please encourage your students to check our various online resources for helpful links, information (homework), videos, important dates, and study guides. We do our best to update our class websites on a weekly basis.

Other resources are listed and available to help your students stay on top of the material that they are learning.

Thank you to all of those who made time out of your busy schedules to come to Curriculum Night this past Monday! We know that it was an overload of information, but we hope that it was beneficial.

### We'll Be So Busy!

**Math**- Students will use their mental computation and estimation strategies including rounding to solve multi- step word problems (addition and subtraction).

**Social Studies** - Students will learn the events that lead up to the American Revolution. They will also explain the meaning of the phrase, "Taxation without Representation," and explore the French and Indian War.

**Language Arts** - In reading, students will continue to work on the RACE strategy when answering questions. They will also learn to identify the story's point of view and the importance of the lead or hook in a story. In writing, students will continue to work on their fiction narrative. For grammar, students will learn about verbs. The spelling homework is due on Friday, August 31<sup>st</sup>.

**Science** - We will take the Environments and Communities Test on August 31<sup>st</sup>. We will begin our unit on Force and Motion.
