

A LOT TO BE GRATEFUL FOR!

4th Grade Newsletter

November 5-9, 2018

New Life Academy of Excellence
Where Educating is Our Number One Goal

Reminders:

- Please make sure that your child is picked up by **3:30** everyday.
- Please have your child **read for at least 30 minutes** every day!
- Pizza Hut Book has begun, so students can earn a free individualized pizza if they complete their reading log indicating that they have read for the entire month of November.

We will be doing a fundraiser selling hot chocolate. Any donations of hot chocolate packets will be appreciated.

We will be selling hot chocolate for \$1 to raise money for future field trips.

WHAT'S GOING ON?

We are having our 4th grade Thanksgiving Feast on November 14th at 11 am in the multipurpose room. If you would like to volunteer to help set up the room, please contact your child's homeroom teacher via email. We will need parent volunteers to help set up at 10:30 am. If you have not signed up to bring something, please go to the following sign up link:

Important Dates:

* Test dates are tentative and may change *

Nov 6 – Election Day (No School)

Nov 12 – Book Fair begins

Nov 14 – Thanksgiving Feast @ 11 am

Nov 14 – Literacy Night

Nov 15 – Fall Picture Day Make Up

We'll Be So Busy!

Math - Students will continue practicing and solving multi-step word problems using more than one operation and division problems that result in quotients that have zeros. Students will divide using different strategies, and check by multiplication and estimation.

Social Studies - Students will begin a unit on personal finance. They will learn how to make good financial decisions.

Language Arts - In reading, students will learn to identify the point of view of which the story is told, and learn about similes and metaphors. In grammar, students will write and identify vivid verbs. In writing, students will continue to work on their mini-magazine project. Please allow them to print photos at home to add to their mini-magazine.

Science - Students begin a new unit on weather and climate. They will identify the various weather instruments and how they are used to make forecasts.
