

Snowball Fun

Add.

 Draw snowballs to help you.

 Write the math sentence.

A. Max makes 3 snowballs.
Mary makes 5 more.
How many snowballs do they make in all?

$$\underline{\quad\quad} + \underline{\quad\quad} = \underline{\quad\quad} \text{ snowballs}$$

B. Mary stacks 6 snowballs.
Max stacks 4 more.
How many snowballs do they stack in all?

$$\underline{\quad\quad} + \underline{\quad\quad} = \underline{\quad\quad} \text{ snowballs}$$

C. Max sees 7 snowballs.
Mary sees 5 more.
How many snowballs do they see in all?

$$\underline{\quad\quad} + \underline{\quad\quad} = \underline{\quad\quad} \text{ snowballs}$$

D. There are 3 big snowballs.
There are 6 small snowballs.
How many snowballs are there in all?

$$\underline{\quad\quad} + \underline{\quad\quad} = \underline{\quad\quad} \text{ snowballs}$$

Answer Key

A. $3 + 5 = 8$

B. $6 + 4 = 10$

C. $7 + 5 = 12$

D. $3 + 6 = 9$
