WHAT'S GOING ON?

Hi parents, please continue to check our class websites for details on any standards that are being taught, homework, and helpful websites.

It is very important students review their class work and homework to review skills and concepts taught in class.

We'll Be So Busy!

Math - Student will learn how to multiply a whole number of up to four digits by a one-digit whole number using strategies based on place value and the properties of operations.

Social Studies - In social studies, students will learn about Valley Forge, the influence of key individuals and groups like George Washington, Black Regiments, Benjamin Franklin, Thomas Jefferson and Benedict Arnold.

Language Arts - In reading, students will learn to identify the theme by thinking about the problem the character faced and the lesson the character learned. In writing, students edit and finalize their narrative. For grammar, students will learn to identify and write vivid verbs. For Friday's quiz, they will identify the vivid verb in the sentence and replace a verb with a vivid verb.

Science - In science, students will learn how forces change motion. They will learn how forces push and pull objects.
